This Month

The Board has voted to postpone until after the elections the decision on whether Desert Dominion should become a member of the National Coalition for Sexual Freedom <www.ncsfreedom.org>. You are urged to let your Board know your opinions. They can't represent you if you don't let them know how you feel about the subject.

Board elections will be held on Sunday, January 12, 2005. There will be a BBQ and BDSM swapmeet at 1pm. Please bring a share food for the BBQ and kinky items you wish to sell for the swapmeet. The General Membership Meeting and the Board Elections will take place at 2pm. It's your club. It's your Board. Be there and vote!

About Desert Dominion

We are a Southern Arizona pan-sexual, pan-fetish BDSM organization based in Tucson and welcome everyone regardless of orientation, age (18 and above), kink (legal activities involving consenting adults), race, creed, religion, etc.

We would like to invite those who are in the lifestyle, new to the scene, or just curious about BDSM to come to our events, meet us, socialize with us, and learn with us.

We are *not* a dating service or sex club. We do *not* find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual domain.

Our members possess a variety of years of experience, of education in related lifestyle activities, and have widely diverse interests. **DD**

It's all about YOU!

Everyone likes to be admired.

This is your chance.

Caning: Swinging a Stiffy

8 January

This hands-on-training clinic will focus on crops, canes and other rigid instruments of pleasure – no, not *that* one! It will be taught by Jordan, the same wicked person who was once your Education Chair. You will have a fine time exploring and learning this skill.

Not interested in learning to swing anything? We'll need those who want to know how all this feels. Show up either way. Fun will be had by all who attend! \$5.00 for Desert Dominion and APEX members, and \$8.00 for non-members.

Mummification: It's a Wrap!

26 January

Bondage can take many forms. It can be as simple as a firm word. At the other end of the kinky spectrum is mummification. Wrap upon wrap until a body is fully encased and unable to move in any fashion. For some, it is the ultimate form of restraint. For others, it verges on the metaphysical, freeing the mind by imprisoning the body.

Although it may sound as easy as wrapping leftovers, there is a lot to consider when your tasty treat is a human being. (No reference to cannibalism intended.) Not all materials used to mummify someone are equal. As in all things BDSM and Lifestyle related, it is important to know your tools and how to use them properly.

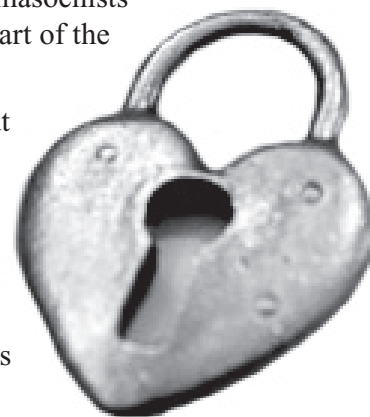

The presenter for this seminar is our very own Barbie DeSade who has years of experience on both sides of the wrap. The event is open to the general public. The fee is \$5.00 for Desert Dominion and APEX members, and \$8.00 for non-members. Nudity may occur.

D/s Dynamics: Everything you wanted to know about D/s, but were afraid to ask **12 February**

The Acronym Finder states that BDSM stands for Bondage and Discipline / Dominance and Submission / Sadism and Masochism. It's appropriate that the letters DS fall in the middle and are shared. Dominance and submission is at the very heart of the lifestyle. Most bondage and discipline enthusiasts, sadists and masochists are also involved in D/s. Yet, it can stand alone and qualifies someone as kinky and a part of the Leather Family even if they don't participate in any other lifestyle activities.

D/s is not about giving and taking orders. It's not about being pushy and bossy or about being wimpy and being treated like a doormat. Although people sometimes know they were born to be a Dominant or born to be a submissive, there is still a lot more to know. Much of it can be learned from the people who live it everyday.

Master Indigo, the presenter of this seminar, has been the Dominant half of a 24/7 D/s relationship for more than three years. Before that, he was involved in the online D/s world. He'll share insights regarding the similarities as well as the differences. This event is open to the general public. The fee is \$5.00 for Desert Dominion and APEX members, and \$8.00 for non-members. As with all lifestyle seminars, nudity may occur.
