## This Month

A new Governing Council has been elected. Jefferson is our new President. Our new Vice-President is Titus. Carmen has been elected as our new Secretary. Christine is our new Treasurer. Angel was once again elected as our Membership Director. Our new Education Director is Lady Serendipity, and our new Social Director is Bruce. Congratulations to all.

Please remember to be respectful of those on the play floor during parties. Complaints have been brought to the Council regarding intrusions into scenes in progress, both verbally and physically. Try to make sure that any comments you may have are not overheard and stay on the periphery of the play floor if attempting to watch. **DD**

## About Desert Dominion, Inc.

We are a Southern Arizona pan-sexual, pan-fetish alternative lifestyle organization based in Tucson and welcome everyone regardless of orientation, age (18 and above), interest, race, creed, religion, etc.

We would like to invite those who are in the lifestyle, new to the scene, or just curious about fetish to come to our events, meet us, socialize with us, and learn with us.

We are not a dating service or sex club. We do not find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual domain.

You must be a member of Desert Dominion, Inc., APEX, or another recognised club of similar purpose to attend any of our functions other than the Munch. Yearly membership is \$30. Quarterly membership is \$10. Both require orientation. Temporary memberships are \$3. They are limited in time to less than 24 hours, are not available for parties, and do not allow any "hands on" activity. **DD**

## Get Yours!

DM training is now being offered on the 2nd Thursday of each month in conjunction with the D/s Discussion Groups and on the 4th Monday of each month in conjunction with the New Members meetings.

## Spanking and Corporal Punishment

4pm, Saturday, February 10th

Have you ever dreamt of being taken over someone's knee and spanked until your cheeks glow a warm rosy red? Or perhaps you have dreamt of being the one to do the spanking, then admiring your handiwork while your bottom stands naked with his nose in the corner. Spanking scenes can be warmly erotic, even orgasmic. They can also be cathartic, can make the bottom feel far younger than his or her chronological age, or can turn into an intense corporal punishment endurance scene.

There is more to spanking and corporal punishment than simply whacking a behind. The hand, paddles, straps, tawses, birches, and other implements can deliver a wide variety of both erotic and intense sensations. If they are not used with skill and knowledge they can also cause injury. The dress style, voice tone, and body language of the top can have an even larger impact on the scene than the types of implements used.

The presenter for this workshop is Wednesday A., who has been a member of APEX for four years and has served as the APEX newsletter editor as well as in other volunteer capacities. Wednesday has presented at APEX on several occasions and has served as a mentor for many novice spanking tops. She will be accompanied by her partner and boy dana, a spanking/age play fetishist with over 30 years experience.

## The Way of The Leather Warrior

7pm, Wednesday, February 28th

武  
士  
道

Honor code. Two simple words for a very important thing. This seminar will discuss the way of the Leather Warrior by examining the Bushido or the code of the Samurai. It puts emphasis on loyalty, self sacrifice, justice, sense of shame, refined manners, purity, modesty, frugality, martial spirit, honor and affection. We will delve into each of these virtues and discuss how to apply them to the Leather lifestyle and to everyday life.

Desert Dominion member Henry James is the current International Community Bootblack 2006, and has the title of Southwest Bootblack 2006. He believes that bootblacking is a tradition, and a means to honor the old ways while living the new ones. Henry is a member of the Lone Wolves Leather family and the primary bootblack for the Venture-N bar in Tucson, AZ. He is also an active advocate for transgender understanding and incorporating Buddhist philosophies into the Leather lifestyle.

Believing that every person has a little bootblack in them, Henry wants to give them a chance to bring it to the surface and enjoy working with boots and leather. His dream is to create an army of bootblacks and to increase the greater Leather community's understanding of bootblacking.

## The Exciting World of Electricity Play

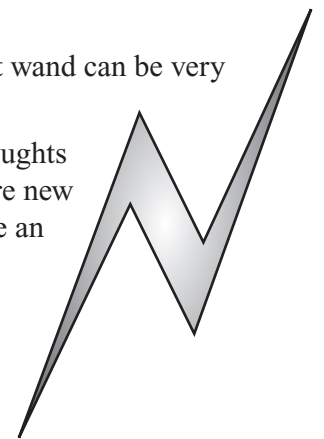

4pm, Saturday, March 10th

The fascinating glow of a violet wand, the exciting tingly feel of it on your skin...

Electricity used right can titillate and tease. It also can become rather extreme. Using a violet wand can be very versatile in a scene.

This seminar will cover an overview of the violet wand. The history of it, uses for it, and thoughts on the future of violet wands will be discussed. Safety measures will be focused on. If you are new to violet wands, come learn how to use them and the various attachments available. If you are an experienced violet wand user, come learn how to introduce one to someone new and perhaps discover some different ways to use a violet wand in a scene!

The presenter of this workshop, Master Kamran, has been in the lifestyle since he was 19 years old. He has more than six years of experience with a violet wand and other electrical devices such as TENS units. He was very active within the Denver area BDSM community and is now a member of APEX and calls Arizona home.

**I've come to believe that each of us has a personal calling that's as unique as a fingerprint - and that the best way to succeed is to discover what you love and then find a way to offer it to others in the form of service, working hard, and also allowing the energy of the universe to lead you. – Oprah Winfrey**
