This Month

In an effort to move Desert Dominion in a positive, forward direction the formation of a new committee was proposed to and approved by the Governing Council. It will be known as the Outlook Committee and a meeting will be held at 7pm on March 19th. The purpose of the meeting is for the recruiting of committee members, and for a discussion of

strategies and goals for the long-term. If you wish to be a part of this committee, or just wish to express your views and opinions, please attend.

It will soon be time for the Governing Council to appoint a new Southwest Fetish Ball core committee. If you are interested in serving, please let a member of the Governing Council know. **DD**

About Desert Dominion, Inc.

We are a Southern Arizona pan-sexual, pan-fetish alternative lifestyle organization based in Tucson and welcome everyone regardless of orientation, age (18 and above), interest, race, creed, religion, etc.

We would like to invite those who are in the lifestyle, new to the scene, or just curious about fetish to come to our events, meet us, socialize with us, and learn with us.

We are not a dating service or sex club. We do not find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual domain.

You must be a member of Desert Dominion, Inc., APEX, or another recognised club of similar purpose to attend any of our functions other than the Munch. Yearly membership is \$30. Quarterly membership is \$10. Both require orientation. Temporary memberships are \$3. They are limited in time to less than 24 hours, are not available for parties, and do not allow any "hands on" activity. **DD**

The Butchmanns Experience at Desert Dominion

The nationally recognized weekend experience known across the country as Butchmanns will be at

Desert Dominion April 27-29.

See our website for more info.

What We Do

Munch

On the first Wednesday of each month we get together from 7:30 until about 9:00 PM at the Coco's across from Park Mall (6095 E. Broadway). Separate checks. This is a chance to introduce yourself to like-minded others.

Movie Night

Participants are encouraged to bring any type of movie. Those present will vote on which movie to watch.

Seminars

These educational sessions are open to anyone over 18. They may involve a lecture, a demo, hands on training, or any combination of these. The fee is \$5 for Desert Dominion and APEX members. Temporary memberships are available for \$3. Nudity and intense situations may occur.

Discussion Groups

A roundtable of like-minded people meet to discuss topics brought up by those present. There are General Kink, Dominant, submissive, and Gender Awareness groups. Donations are requested, but not required. Demos are sometimes presented. Nudity and intense situations may occur. Temporary memberships are available for \$3.

Play Parties

We have play parties for the general membership on the 2nd, 3rd, 4th, and when applicable, 5th Saturdays of each month. The 1st Saturday of the month rotates between Women's, Desert Dominion Next Generation, and Men's focus group play parties. All parties begin 8:00 PM and generally last until 1:00 AM. Admission is \$10 per person. A current Desert Dominion membership card (or a card from any established kink organization) and a picture ID are absolutely required for all parties – no entrance without them. Please read and be familiar with Desert Dominion party etiquette. <www.deserthdominion.org>

Club Social

Held once a month for the express purpose of socializing, meeting new people, and negotiating. Any games or activities not involving BDSM are optional. There is no kink play. Share food is encouraged. Vending of kinky wares may be done. Free for members. Temporary memberships are available for \$3.

The Exciting World of Electricity Play

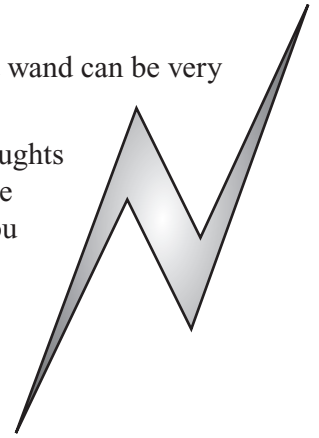

4pm, Saturday, March 10th

The fascinating glow of a violet wand, the exciting tingly feel of it on your skin...

Electricity used right can titillate and tease. It also can become rather extreme. Using a violet wand can be very versatile in a scene.

This seminar will cover an overview of the violet wand. The history of it, uses for it, and thoughts on the future of violet wands will be discussed. Safety measures will be focused on. If you are new to violet wands, come learn how to use them and the various attachments available. If you are an experienced violet wand user, come learn how to introduce one to someone new and perhaps discover some different ways to use a violet wand in a scene!

The presenter of this workshop, Master Kamran, has been in the lifestyle since he was 19 years old. He has more than six years of experience with a violet wand and other electrical devices such as TENS units. He was very active within the Denver area BDSM community and is now a member of APEX and calls Arizona home.

Flogging with Love and Power

7pm, Wednesday, March 28th

The power of SM can legitimately be used for many purposes. Used as a spiritual practice with the singular intention of giving love and power. The purpose for which we were created can be discovered and empowered. This practice is not for everyone. Our fetishes let us know when it applies to us. Join SlaveMaster to discuss how and why this happens. What can be expected from this practice. Review the criteria, details, incremental steps, motivation and relationships within which this works.

SlaveMaster comes to Desert Dominion to share what he has experienced with a slave's spirit and inner animal. Developing slave's destiny has been his focus during the last 10 years of a 25 year SM career.

SlaveMaster's workshops on "spirituality" and "obedience" plus a life-long pursuit of training slaves over the years have brought him into contact with many groups such as: San Diego Leatherfest events, California Men's Gathering, Butchmann's Academy (11 yrs a core instructor), MAST in New York, Pantheon of Leather workshops, Shibari &

Slave Traders in Las Vegas.

He founded Path of the Obedient Heart SM Spiritual Practice weekends which have been presented in Chicago, New York, and Los Angeles. He serves as an all "weekend" guest instructor at the Journeyman III Academy which is active in Salt Lake City, UT, and Oakland, CA.

SlaveMaster and his various slaves are frequently photographed for magazines when he has uses them for demos at events around the country. He was featured headliner one month on the cover for the Leather Journal when it was in magazine format.

Adult Age Play 101

4pm, Saturday, April 14th

What is Adult Age Play, Age Play, Littles, Infantilism, Adult Babies and Diaper lovers? Daddy/daughter, Mommy/boy archetypes... All terms you have heard about but might not totally understand. What type of play is this? When and where does it happen? How can it be integrated into a D/s or BDSM relationship? Is it sexual? Maybe you like to be a little boy or girl at times... are *you* an Adult Age Player?

Get answers to all these questions and the many more you will have at the "Adult Age Play 101" seminar hosted by Craig and Lizzy of www.AdultBabySitting.com. They are both well-known regulars at APEX as well as AB/DL community members for over 14 years and life-long Adult Age Players themselves. *Everyone* has an "inner child", learn how to get in touch with those emotions and take your relationships to a whole new level you didn't know existed. We promise you will be surprised and learn something new!
