About Desert Dominion, Inc.

Desert Dominion is a Southern Arizona pan-sexual, pan-fetish alternative lifestyle organization based in Tucson. We welcome everyone regardless of orientation, age (18 and above), interest, race, creed, religion, etc.

Our members have widely diverse interests and possess a variety of years of experience and education in related lifestyle activities. We extend an invitation to those who are in the lifestyle, new to the scene, or just curious. Please come to our events, meet us, socialize with us, and learn with us.

Remember, we are not a dating service or sex club nor do we find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual atmosphere.

You must be a member of Desert Dominion, APEX, or another club of similar purpose with which DD has reciprocity to attend our functions other than the monthly Coffee Lunches and Munch. Yearly membership is \$40, and quarterly membership is \$15. Both require orientation. Temporary memberships are \$3 and are limited to a single event... they are not available at or for parties nor do they allow any "hands on" activity. **DD**

What We Do

Coffee and Lunch

On the 2nd Tuesday and 4th Wednesday of each month, we meet at the Black Rose Caffè (www.blackrosecaffè.com/) for coffee and lunch. This event is open to all... separate checks. Relax with us from 12:30 pm until the last person leaves. The Black Rose Caffè is at 1800 N. Stone next door to the Bumsteer and across from the WildCat House. Seating reserved just for us is located to the right after you enter the Caffè.

Munch

On the 1st Wednesday of each month, we get together from 6:30 pm until about 9:00 pm at the Coco's Restaurant at 6095 E. Broadway, across from Park Mall. Everyone (at least 18 years old) is welcome. Separate checks. This is a chance to introduce yourself and get to know DD members and other curious folks.

Seminars

During the month, several educational sessions are held that are open to anyone 18 years old and over. Seminars may involve a lecture, demonstration, hands on training (HOT), or any combination of these activities. All participation is completely voluntary. Nudity and intense situations may occur. The fee is \$5 for DD members. Temporary memberships are available at the door for \$3.

Discussion Groups

Discussion groups are roundtables of like-minded people aged 18 and over who meet to discuss topics that are either set in advance or suggested by those attending. Groups include General Kink, Dominant, submissive, and Gender Awareness. Demonstrations and HOT are sometimes presented. Nudity and intense situations may occur. Groups are open to all DD members. Donations are requested, but not required. Temporary memberships are available at the door for \$3.

Play Parties

Members-only play parties are held on the 2nd, 3rd, 4th, and (when applicable) 5th Saturday of each month. All parties begin 8:00 pm and generally last until 1:00 am. Share food is welcome. Sodas and water are for sale at the club. Coffee and tea are also provided. Admission is \$10 per person (\$5 for those volunteering for a shift on the door/desk or as a dungeon monitor). A current Desert Dominion membership card (or a card from an established BDSM/kink organization with which DD has reciprocity) and a picture ID are required for all parties. There are no exceptions. No one is admitted without proof of membership and valid identification. Please read and be familiar with Desert Dominion party etiquette available on the DD website.

Club Social

On the 1st Friday of each month at 8 pm, Club Socials are held for the purpose of socializing, meeting new people, and negotiating. Non-BDSM games or activities are optional. Kink play is not allowed. Share food is encouraged. Sodas and water are for sale at the club. Coffee and tea are also provided. Vending of kinky wares may be available. Free for DD members. Temporary memberships are available at the door for \$3.

Fetish Alive - Dungeon After Party

10 pm, Saturday, March 8th

Explore your fantasy at Fetish Alive and at the members-only** **After Party** at the Desert Dominion play space. The party begins at 10 pm and continues until the last person is tied down or the sun comes up. Try out your new toys! Strut your stuff at the fetish attire contest.

Admission is \$15, which includes a variety of catered food. To indulge your sweet tooth, there will even be two chocolate fountains with plenty of goodies for dipping. Soft drinks and water will be available for purchase. And of course, your admission includes an inviting play area with plenty of equipment to explore and enjoy your various kinky tastes.

****Like all DD play parties, this party is for members only. There are no exceptions!** A current Desert Dominion membership card, or a card from an established BDSM/kink organization with which DD has reciprocity, is required. No one will be admitted without proof of membership AND a legal picture identification (such as a drivers license or passport). **And, as always, no one will be admitted if alcohol- or drug-impaired!**

Desert Dominion will not sell memberships at the door during the After Party. But orientations and memberships will be available throughout the night at **Fetish Alive**. Visit the DD table at the ball for more information and the orientation schedule. We look forward to meeting you and getting to know you!

Seminar: A Spanking Good Time

7 pm, Wednesday, March 26th

As any corporal punishment aficionado can tell you, there is more to a proper **Spanking** than a good swat on the butt. Various body positions and delivery techniques can make all the difference in the world, both mentally and physically. Mood, location, and circumstances can all play a part in determining whether the experience is pleasurable or quite the contrary.

Our focus is, and always will be, the giving of pleasure through the exchange of power in a safe, sane, and consensual atmosphere. When play involves impact with the body, safety and the desire to do no harm is first and foremost. The leaving of marks, or the lack thereof, can mean nothing. But serious damage is not always visible. In this regard, the best prophylactic is knowledge.

Advanced players, beginners, and those who are merely curious should attend. Different methods of warming a bottom will be discussed and demonstrated by our very own **Steve**, aka **The Über Bitch**.

Pajama Party

8 p.m. Saturday, April 5th

Where else can you party in your sleeper jammies and bunny slippers! Or maybe a sexy peignoir set and satin scuffs? Baggy boxers and tube sox? Hmm... what do you wear to a **Pajama Party** if you go to bed *au-natural*? You're even welcome in your birthday suit... just remember a towel for sitting on the furniture and a cover-up for the kitchen area or outside by the fire where there will be marshmallows for roasting!

There are rumors of a pillow fight, kinky-style spin the bottle, and even naughty bedtime stories! How about a massage, a manicure, and maybe even waxing? Tips will be accepted for the DD building fund. Or be spa service volunteer... it's **all** a great way to support your club and have a great time.

No slumbering allowed! For more information or if you have questions, watch the DD listserv (groups. yahoo.com/group/Desert_Dominion) or email our **Social Director** at penelopedg@yahoo.com.

Seminar: Electric Play - The Shocking Truth

7 p.m. Wednesday, April 23rd

When many people think of **Electricity**, they often conjure up visions of a stormy night, a flash of lightning, and Doctor Frankenstein crying out, "Give my creature life!" Or perhaps they think of Frankenfurter looking stunning in his fishnets, heels, and corset, strutting his stuff to *Sweet Transvestite*. Electricity is... well... electrifying!

Electricity is also nothing to play around with... you owe it to yourself and your partner(s) to learn all you can from someone who knows what he's doing. Used improperly, electricity can cause heart failure, severe burns, or both. These are not things you want to unwittingly inflict on yourself or your play partner... or explain to the paramedics, emergency room staff, or the police.

This seminar will be presented by **Master Jefferson James**, Education Director of Desert Dominion, a frequent presenter at DD who has also given seminars at APEX, Southwest Leather Conference, and Rio Grande Leather. Violet wands, TENS units, electric flyswatters, and stun guns will be discussed and demonstrated.
