This Month

Have you ever wanted to play at the club without using condoms, gloves or other barriers, or do you prefer the rules the way they are? Information regarding safer sex, consensual play, and other sex-positive club's rules will be brought to the next Governing Council Meeting on Wednesday, June 21st for discussion.

A decision on whether the no fluid exchange / barrier rule should stand, be amended or be repealed will be voted upon at the General Membership Meeting on Saturday, July 15th. This is your club. Exercise your rights as a member and vote. The rules are your rules, and it is important that your philosophies and principles are reflected by them. **DD**

About Desert Dominion, Inc.

We are a Southern Arizona pan-sexual, pan-fetish BDSM organization based in Tucson and welcome everyone regardless of orientation, age (18 and above), kink (legal activities involving consenting adults), race, creed, religion, etc.

We would like to invite those who are in the lifestyle, new to the scene, or just curious about BDSM to come to our events, meet us, socialize with us, and learn with us.

We are *not* a dating service or sex club. We do *not* find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual domain.

Our members possess a variety of years of experience, of education in related lifestyle activities, and have widely diverse interests. **DD**

What We Do

Munch

On the first Wednesday of each month we get together from 7:30 until about 9:00 PM at the Coco's across from Park Mall (6095 E. Broadway). Separate checks. This is a chance to introduce yourself to like-minded others.

Movie Night

Participants are encouraged to bring any type of movie. Those present will vote on which movie to watch.

Seminars

These educational sessions are open to anyone over 18. They may involve a lecture, a demo, hands on training, or any combination of these. The fee is \$5 for Desert Dominion and APEX members, and \$8 for non-members. Nudity and intense situations may occur.

Discussion Groups

A roundtable of like-minded people meet to discuss topics brought up by those present. There are General Kink, Dominant, submissive, and Gender Awareness groups. All are free and open to the public. Donations are requested, but not required. Demos are sometimes presented. Nudity and intense situations may occur.

Play Parties

We have play parties for the general membership on the 2nd, 3rd, 4th, and when applicable, 5th Saturdays of each month. These parties begin 8:00 PM and generally last until 1:00 AM. Prosecution Proofing Your Kink

4pm, Saturday, June 10th

There is good pain, and there is bad pain. Likewise, handcuffs can be fun or quite the opposite. If bottoming to the police is not your cup of tea, this seminar may very well be for you. BDSM, especially various forms of impact play, can potentially involve dealings with the criminal justice system. Often this involvement can be in the form of criminal prosecutions resulting in very serious consequences.

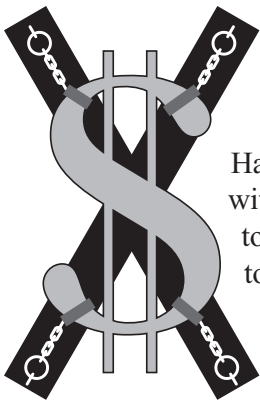

This is a crucial seminar for anyone worried about their own personal freedom, or the legal health of our lifestyle. Subject matter will include a discussion about the current state of the criminal law regarding BDSM, forward looking advice relating to the effect of contract negotiations in light of possible criminal prosecutions, and what to do in the event you become the subject of a criminal investigation or prosecution due to BDSM related activities.

The presenters, Master Conrad and slave cat, have over 35 years of combined experience in the areas of criminal law, domestic relations and appellate relief. At this year's Southwest Leather Conference, they were named Southwest Master and slave 2006. This event is open to the general public. The fee is \$5.00 for Desert Dominion and Apex members and \$8.00 for non-members. Nudity may occur.

BDSM on a Budget: More Kink for Your Coin

7pm, Wednesday, June 28th

Floggers can easily cost you hundreds of dollars. A nice set of leather cuffs can run almost as much. Many of the toys used by people who have been in the lifestyle for a long time are not cheap. That doesn't mean, however, that you can't have just as much fun with far less expense. This seminar is meant to show you how.

Hairbrushes and pancake turners used as paddles are some of the more obvious ways to play without spending a lot of your hard earned cash. There are a lot of other "pervertables" out there too. Some are just as obvious and some aren't. All it takes is someone with a twisted imagination to show you the way.

This event is open to the general public. It will be presented by Joe, Assistant Education Director of Desert Dominion. The fee is \$5.00 for Desert Dominion and APEX members, and \$8.00 for non-members.

Living With Integrity

4pm, Saturday, July 8th

When someone wants to join Desert Dominion, they must first go through orientation. The rules, protocols and etiquette of the kink community and our club specifically are explained to them. If they attend discussion groups and seminars they learn that "it is all about trust" and that we are a family. Ironically, they are also told they must use the utmost discretion if they see a member of this "family" outside of the club, that they can't talk about each other by name, and that many people don't use their real name.

This seminar will explore integrity – living in honesty within the lifestyle and our everyday life. It will explore the trials of being open versus the societal need to keep secret about our kinky side. The class is in an open dialog forum with active audience participation. Come and share your concerns, successes, and strategies for being kinky and living in integrity in every aspect of our life

Master Steve, founder of Butchmanns and the Southwest Leather Conference, will facilitate. He has had many roles besides that of a leatherman, including Ph.D., Social Worker, Registered Nurse, Buddhist, and grandfather. He has two 24/7 slaves, Kirk & Randy who share his home in Tucson. In addition he has slaves pug, David, & Robert who serve him, while living in other areas. He brings a spiritual dimension to SM, using physical means to promote spiritual practice. Master Steve and slave Kirk won the title of International Master and slave 2000. He is a member of Desert Dominion as well as one of the most highly respected leathermen in the world.
