This Month

Starting July 15th, membership will be required to attend any Desert Dominion event other than our Munch. APEX members are of course still considered members. Temporary, time-limited memberships will be available for \$3. Unlike our standard memberships of \$30 for one year and \$10 for a quarter, temporary memberships will

not require orientation. They do, however, have the limitation of not allowing any "hands on" participation.

A current membership card from an organization similar to Desert Dominion will still be recognized as a proof of orientation, and a free temporary membership will be issued for the purpose of attending parties. **DD**

About Desert Dominion, Inc.

We are a Southern Arizona pan-sexual, pan-fetish alternative lifestyle organization based in Tucson and welcome everyone regardless of orientation, age (18 and above), interest, race, creed, religion, etc.

We would like to invite those who are in the lifestyle, new to the scene, or just curious about fetish to come to our events, meet us, socialize with us, and learn with us.

We are not a dating service or sex club. We do not find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual domain.

You must be a member of Desert Dominion, Inc., APEX, or another recognised club of similar purpose to attend any of our functions other than the Munch. Yearly membership is \$30. Quarterly membership is \$10. Both require orientation. Temporary memberships are \$3. They are limited in time to less than 24 hours, are not available for parties, and do not allow any "hands on" activity. **DD**

Hot Buttered Sex!

Now that we have your attention, it's time to remind you of the General Membership meeting on July 15th.

What We Do

Munch

On the first Wednesday of each month we get together from 7:30 until about 9:00 PM at the Coco's across from Park Mall (6095 E. Broadway). Separate checks. This is a chance to introduce yourself to like-minded others.

Movie Night

Participants are encouraged to bring any type of movie. Those present will vote on which movie to watch.

Seminars

These educational sessions are open to anyone over 18. They may involve a lecture, a demo, hands on training, or any combination of these. The fee is \$5 for Desert Dominion and APEX members. Temporary memberships are available for \$3. Nudity and intense situations may occur.

Discussion Groups

A roundtable of like-minded people meet to discuss topics brought up by those present. There are General Kink, Dominant, submissive, and Gender Awareness groups. Donations are requested, but not required. Demos are sometimes presented. Nudity and intense situations may occur. Temporary memberships are available for \$3.

Play Parties

We have play parties for the general membership on the 2nd, 3rd, 4th, and when applicable, 5th Saturdays of each month. These parties begin 8:00 PM and generally last until 1:00 AM. Admission is \$10 per person. Men's Parties are held on the 1st Monday of each month for those who identify as male, Women's Parties are held on the 1st Tuesday of each month for those who identify as female, and Desert Dominion Next Generation Parties are held on the 1st Thursday of the month and is for those 18 to approximately 35 years old. These parties usually run from 7:00 PM until 11:00 PM. Admission is \$5 per person. A current Desert Dominion membership card (or a card from any established kink organization) and a picture ID are absolutely required for all parties -- no entrance without them. Please read and be familiar with Desert Dominion party etiquette. <www.desertdominion.org>

Club Social

Held once a month for the express purpose of socializing, meeting new people, and negotiating. Any games or activities not involving BDSM are optional. There is no kink play. Share food is encouraged. Vending of kinky wares may be done. Free for members. Temporary memberships are available for \$3.

From the Education Director

Living With Integrity

4pm, Saturday, July 8th

When someone wants to join Desert Dominion, they must first go through orientation. The rules, protocols and etiquette of the kink community and our club specifically are explained to them. If they attend discussion groups and seminars they learn that “it is all about trust” and that we are a family. Ironically, they are also told they must use the utmost discretion if they see a member of this “family” outside of the club, that they can’t talk about each other by name, and that many people don’t use their real name.

This seminar will explore integrity – living in honesty within the lifestyle and our everyday life. It will explore the trials of being open versus the societal need to keep secret about our kinky side. The class is in an open dialog forum with active audience participation. Come and share your concerns, successes, and strategies for being kinky and living in integrity in every aspect of our life

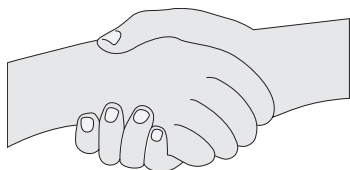

Master Steve, founder of Butchmanns and the Southwest Leather Conference, will facilitate. He has had many roles besides that of a leatherman, including Ph.D., Social Worker, Registered Nurse, Buddhist, and grandfather. He has two 24/7 slaves, kirk & randy who share his home in Tucson. In addition he has slaves pug, david, & robert who serve him, while living in other areas. He brings a spiritual dimension to SM, using physical means to promote spiritual practice. Master Steve and slave kirk won the title of International Master and slave 2000. He is a member of Desert Dominion as well as one of the most highly respected leathermen in the world.

Wanna Play?

7pm, Wednesday, July 26th

You look across the crowded dungeon and catch the eye of your ultimate Dominant. Transfixed, as if staring at a flickering flame, your eyes are held as this person walks toward you and asks for the honor of doing a scene with you. It seems like a dream, and probably is. Things seldom work quite this way.

This seminar is designed to provide practical, down-to-earth information and helpful hints to give you an edge in meeting others, locally and online, and increase your chances of getting play. Suggestions will be offered on how one catches the attention of a Dominant or Top they would enjoy doing a scene with. And tips will be given as to what to do and say once you have that person’s attention.

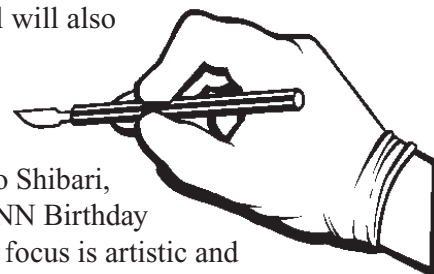

The presenters, Lady Serendipity and Master Jefferson James, are both active within the local Arizona BDSM community, and enjoy mentoring. Serendipity has been married to her husband and submissive for over twenty years, travels to BDSM events and conference across the nation, has moderated several Internet discussion groups, and understands the dynamics of online and long distance D/s relationships.

Edgeart: Creating in Flesh and Blood

4pm, Saturday, August 12th

In this seminar Sol hopes to share the intimacy and power of cutting in an expression he calls Edgeart. In Edgeart: Creating in Flesh and Blood, Sol will focus on the art of cutting and will cover the psychology of body modification, including responsible practice, the raw nature of primal acts in body modification, and the spirituality of body modification as well as the technical aspects of a more complex cutting. In the seminar you will be invited to share in the creation of a cutting; creating art in human flesh and blood. If time allows, Sol will also share information about other aspects of Body Modification and Art.

Sol is a long time member of the California BDSM community. He began service facilitating discussions of D/s and M/s relationships as the founder and moderator of Dominant Dominion, and is a member of groups that include, Club X, San Diego Shibari, APEX, and the NCSF. Sol has presented workshops in venues that include the GWNN Birthday Bash in Austin TX, and The Training Camp in North Carolina. Today Sol’s lifestyle focus is artistic and spiritual expression of BDSM and D/s/ to reach transcendent states through BDSM and rites of passage.
