This Month

At the General Membership meeting, it was decided by an unanimous vote that Desert Dominion should file its Articles of Incorporation with the state of Arizona. The proposed revision of the Bylaws was also adopted unanimously.

On August 31st at 7pm, we will be hosting another Gender Awareness discussion group.

Have you ever wondered how to refer to a transsexual or transgendered individual without offending them? Do you have other questions regarding this unique group of people? Then this discussion group is for you.

It will be moderated by our own Alison, who is also on the Board of Directors of the Southern Arizona Gender Alliance. **DD**

About Desert Dominion

We are a Southern Arizona pan-sexual, pan-fetish BDSM organization based in Tucson and welcome everyone regardless of orientation, age (18 and above), kink (legal activities involving consenting adults), race, creed, religion, etc.

We would like to invite those who are in the lifestyle, new to the scene, or just curious about BDSM to come to our events, meet us, socialize with us, and learn with us.

We are *not* a dating service or sex club. We do *not* find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual domain.

Our members possess a variety of years of experience, of education in related lifestyle activities, and have widely diverse interests. **DD**

What We Do

Munch

On the first Wednesday of each month we get together from 7:30 until about 9:00 PM at the Coco's across from Park Mall (6095 E. Broadway). Separate checks. This is a chance to introduce yourself to like-minded others.

Movie Night

Participants are encouraged to bring any type of movie. Those present will vote on which movie to watch.

Seminars

These educational sessions are open to anyone over 18. They may involve a lecture, a demo, hands on training, or any combination of these. The fee is \$5 for Desert Dominion and APEX members, and \$8 for non-members. Nudity and intense situations may occur.

Discussion Groups

A roundtable of like-minded people meet to discuss topics brought up by those present. There are Desert Dominion Next Generation (DDNG), General Kink, Dominant, submissive, Men's, Women's, New Members, and Gender Awareness groups. All are free and open to the public. Donations are requested, but not required. Demos are sometimes presented. Nudity and intense situations may occur.

Play Parties

We have play parties for the general membership on the 2nd and 4th Saturdays of each month. These parties usually run from 8:00 PM until 1:00 AM. Admission is \$10 per person. Men's Parties are held on the 4th Tuesday of each month for those who identify as male, and Women's Parties are held quarterly for those who identify as female. These parties usually run from 7:00 PM until 11:00 PM. Admission is \$5 per person. A current Desert Dominion membership card (or a card from any established kink organization) and a picture ID are absolutely required for all parties -- no entrance without them. Please read and be familiar with Desert Dominion party etiquette. <www.desertdominion.org>

Club Social

Held once a month for the express purpose of socializing, meeting new people, and negotiating. Dancing, card playing, and any games not involving BDSM activities are optional. There is no kink play. Share food is encouraged. Free for members of Desert Dominion and APEX, \$2.00 for non-members.

Wax Play: A Complete Scene

13 August

Do you think of wax play as a great warm up or something soothing to do right before aftercare? Well, you've barely scratched the surface of possibilities, and quite possibly you've barely scratched your playmate. Let Ms Rio Grande Leather 2005, Julian Wolf show you the do's and don'ts of wax play (yes, there are rules to follow if you'd rather not burn or bore your playmate) and give you the tips, tricks and tools to make waxing a memorable scene for both the top and the bottom. This "not exactly one-on-one" class should entice and excite all the beginners who attend, as well as bring some new ideas to even the most experienced waxers and their counterparts that love to be waxed.

Julian Wolf came out as kinky in 1999 and is more active now than ever. After co-founding New Mexico's chapter of TNG she competed for and won the current New Mexico Leather title, and is honored to be one half of the first Rio Grande Leather couple. She is the first daughter of the Wolf family, the proud Keeper of Carl's Mel-Doll, co-master of the Rabbit Hole (with Jonathan O) and is a Prince residing in beautiful Albuquerque. You may best know her from last year's Southwest Fetish Ball where she did an onstage performance as an annoyed school teacher

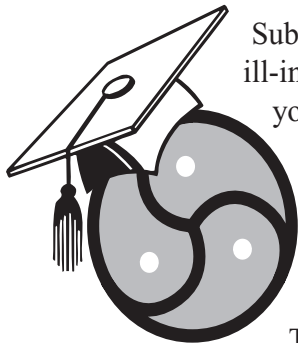

The seminar is open to the general public, 18 years and older. The fee is \$5.00 for Desert Dominion and Apex members and \$8.00 for non-members. As with all seminars, nudity may occur.

BDSM 101

24 August

Are you new to the lifestyle? Do you hear terms like tens unit, violet wand, sub space, TV , transgendered or others that leave you wondering? There is no shame in being a beginner. Even the most experienced among us were newbies at one time. The intelligent admit what they don't know and set out to learn it. Bluffing your way along is a disservice to yourself and a danger to those you play with.

Submissives, don't be misled into thinking that only Tops need to know what they are doing. An ill-informed bottom is as unsafe as a flogger-wielding poser. Knowing the proper ways of doing your favorite kink is not only safer, but may in fact be a matter of life and death.

This seminar is *not* intended to teach you more advanced forms of BDSM like fire play, needle play, suspension or other types of edge play, but it is the place to start your journey into the world of kink. A good foundation is always needed in order to build upon and that's what BDSM 101 is all about.

This event is open to the general public. The fee is \$5.00 for Desert Dominion and Apex members and \$8.00 for non-members. It will be taught by Jefferson James, Education Chair of Desert Dominion. Nudity may occur.

Foot and Boot Worship

10 September

Steven Hagen loves boots and feet. Whom better to teach those who wish expand their BDSM repertoire in this regard? He'll have plenty to teach those who enjoy this sort of play, and to those who haven't yet tried it and are not aware of its tremendous eroticism.

Steven is a past member of Trident Knights Leather/Levi club in Charleston, SC. During that time, he attended several leather events, broadening his perspective of the lifestyle and training as a bootblack. In 2002 he was 1st runner up at IML Bootblack in Chicago.

In October of 2002, Steven moved to Las Vegas, Nevada. Sin City lifestylers recognised his participation in the community by awarding him the title of Las Vegas Leather Boy 2003-2004. He is a graphic artist that supports several leather organizations, and a volunteer at various leather events, including Desert Dominion's Southwest Fetish Ball 2005. He is proudly in service to Ms Victoria Gayton of Atlanta, Georgia, and was named Southwest Bootblack 2005 at SWLC.

This event is open to the general public. The fee is \$5.00 for Desert Dominion and Apex members and \$8.00 for non-members. It will be taught by Jefferson James, Education Chair of Desert Dominion. Nudity may occur.
