This Month

Due to a conflict with the facilitator's schedule, the General Kink Discussion Group has been moved to the third Tuesday of each month. If you clipped and saved the events form from page two of last issue, please update it with this new information.

To better reward our generous volunteers, the Board voted to change the amount of

hours required to attend the Volunteer's Play Party held on the fifth Saturday of a month. If you donate six hours of your time helping the club, and this includes working the door or doing a shift as DM at a party, you are welcome to attend the Volunteer's Party. This is a free party and you are allowed to bring one member as a guest. **DD**

About Desert Dominion

We are a Southern Arizona pan-sexual, pan-fetish BDSM organization based in Tucson and welcome everyone regardless of orientation, age (18 and above), kink (legal activities involving consenting adults), race, creed, religion, etc.

We would like to invite those who are in the lifestyle, new to the scene, or just curious about BDSM to come to our events, meet us, socialize with us, and learn with us.

We are *not* a dating service or sex club. We do *not* find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual domain.

Our members possess a variety of years of experience, of education in related lifestyle activities, and have widely diverse interests. **DD**

Wanna Ball?

Planning for the Southwest Fetish Ball has begun. Your help is respectfully requested. See you at the meeting.

What We Do

Munch

On the first Wednesday of each month we get together from 7:30 until about 9:00 PM at the Coco's across from Park Mall (6095 E. Broadway). Separate checks. This is a chance to introduce yourself to like-minded others.

Movie Night

Participants are encouraged to bring any type of movie. Those present will vote on which movie to watch.

Seminars

These educational sessions are open to anyone over 18. They may involve a lecture, a demo, hands on training, or any combination of these. The fee is \$5 for Desert Dominion and APEX members, and \$8 for non-members.

Discussion Groups

A roundtable of like-minded people meet to discuss topics brought up by those present. There are Desert Dominion Next Generation (DDNG), General Kink, Dominant, submissive, and Gender Awareness groups. All are free and open to the public. Donations are requested, but not required. Demos are sometimes presented. Nudity and intense situations may occur.

Play Parties

We have play parties for the general membership on the 2nd and 4th Saturdays of each month. These parties usually run from 8:00 PM until 1:00 AM. Admission is \$10 per person. Men's Parties are held on the 4th Tuesday of each month for those who identify as male. Women's parties are held on the 3rd Thursday of each month for those who identify as female. These parties usually run from 7:00 PM until 11:00 PM. Admission is \$5 per person. A current Desert Dominion membership card (or a card from any established kink organization) and a picture ID are absolutely required for all parties -- no entrance without them. Please read and be familiar with Desert Dominion party etiquette. <www.desertdominion.org>

Desert Dominion Salon

Once a quarter we hold a High Protocol tea party at which Masters, Mistresses, Dominants, slaves and submissives, can exercise their own personal serving protocols. The Salon is open to everyone, including singles, but we respectfully request that all attendees dress appropriately for a formal lifestyle event. Please bring finger foods.

Leather Social

Held once a month for the express purpose of socializing, meeting new people, and negotiating. Dancing, card playing, and any games not involving BDSM activities are optional. There is no kink play. Share food is encouraged. Free for members of Desert Dominion and APEX, \$2.00 for non-members.

Public Play: If They Only Knew

11 September

Most of us are comfortable playing in private and know the joys that can bring. Some of us are very comfy playing at a club, getting a rush from the exhibitionism. But, oh my, the thrill of playing out in public amidst the vanilla population and not getting caught. Now that can be a *real* turn on.

Besides the thrill, there is a level of responsibility involved with public play. Many of us need to protect our jobs and our lives from public criticism and condemnation for our lifestyle choices. The public also deserves the right to go about their lives without having our kink thrust upon them. How do we balance this?

This event is open to the general public. It will be presented by Ms. Tiger Lily of APEX, an ardent fan of public play. The fee is \$5.00 for Desert Dominion and Apex members and \$8.00 for non-members. (Should we really let the public in on this?)

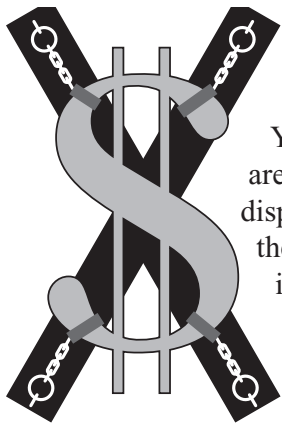

BDSM on a Budget: More Kink for Your Coin

22 September

Floggers can easily cost you hundreds of dollars. A nice set of leather cuffs can run almost as much. Many of the toys used by people who have been in the lifestyle for a long time are not cheap. That doesn't, however, mean you can't have just as much fun with far less expense. This seminar is meant to show you how.

Hairbrushes and pancake turners used as paddles are some of the more obvious ways to play without spending a lot of your hard earned cash. There are a lot of other "pervertables" out there too. Some are just as obvious and some aren't. Everyone knows the various possibilities offered by clothespins, but do you know how much fun you can have with a couple of pencils?

You already have far more bondage equipment and kinky toys around your home than you are aware of. Things you never thought could be used for play are ready and waiting at your disposal. No purchase necessary. And if you are able to spend a few dollars and do a little work, there are many more opportunities for fun awaiting you. All it takes is someone with a twisted imagination to show you the way.

This event is open to the general public. It will be presented by Jefferson James, Education Chair of Desert Dominion. The fee is \$5.00 for Desert Dominion and APEX members, and \$8.00 for non-members.

Needle Play: How to Stick it to 'em

9 October

Get the point? You may after this seminar. Whether you're experienced, a beginner, or someone who isn't quite ready for this sort of thing, you are sure to learn something. Saturday afternoon seminars generally start at 4pm. This one, however, will begin at 3pm. Whipmaster Bob and bootpig, will begin with the basics and entry level play piercing. After a short break, they'll proceed to more advanced techniques and examples of what most people would call edge play.

Spanking ...and other posterior possibilities.

27 October

Presented by our own Master Indigo. See next issue for more information.

Fire Play

13 November

Presented by Master Dennis of APEX. See next issue for more information.

Coming Attractions

On Saturday afternoon, November 20th, we will be having a Special Event. Master Skip and slave Rick will present "Priest in Black Leather: Mastery as a Spiritual Calling" and "Servant to the World: The Spiritual Awakening of a slave Heart" respectively. A special play party will be held that night. See next issue for times and fees.
