## ***This Month***

---

**To my DD Family,**

Thank you from the bottom of my heart for all the support, assistance, love and hugs that you have shown/given me over the last year as I prepped for the SW Bootblack Contest. While I did not walk away with a title, I walked away a better person for the experience. I am so glad that you joined me on this journey. I ask you to stay on this bus with me, as I will be competing again next year at SWLC 2013 and at International (no matter what happens at SWLC). This past weekend showed me that the choice to make DD my home was a wise one. I look forward to the upcoming year, and again, THANK YOU SO VERY MUCH!!!!!!

***Cherielle, Your Resident Bootblack***

**Hello, DD!**

Changes are coming, both in the newsletter and on the website! I have taken over both from Master Jefferson, who has done an excellent job with both of them... I have some pretty big shoes to fill. I have already started to revamp the newsletter, to make it a bit easier to read. The website will be getting a make-over as well. These changes will not be sudden and dramatic; rather, I plan to roll them out gradually. I would also like feedback from the DD Family as to how things are looking and working/not working in regards to both the newsletter and the website.

***El Coyote, Your Resident Webmaster and Newsletter Editor***

## ***About Desert Dominion***

---

We are a Southern Arizona pan-sexual, pan-fetish BDSM organization based in Tucson and welcome everyone regardless of orientation, age (18 and above), kink (legal activities involving consenting adults), race, creed, religion, etc.

We would like to invite those who are in the lifestyle, new to the scene, or just curious about BDSM to come to our events, meet us, socialize with us, and learn with us.

We are not a dating service. We do not find partners for people. We exist to support, educate, and socialize with one another in a safe, sane, and consensual domain.

Our members possess a variety of years of experience, of education in related lifestyle activities, and have widely diverse interests.

We have a number of monthly events including educational seminars, socials, munches, discussion groups, and play parties.

We have our own meeting and play space, and hope that you will come and join us for one of our many events.

**What will you  
do for your  
Valentine this  
year?**

## ***Feeding and Care of Leather***

***7pm Wednesday February 8th***

Did you just plop down a hefty chunk of dough on a special flogger? Have an expensive whip? What about those leather garments sitting in your closet? Did you know that all those items crave proper feeding and care? Leather toys and garments are expensive, and if you want them to last they need to be cared for just as much as that human toy. Come out and learn how to protect your investment, and keep those toys and garments around for a very long time.

Cherielle has been in the lifestyle since 1999, and in the Arizona community since 2005. She is currently the Resident bootblack for Desert Dominion, and spends quite a bit of her free time caring for leather garments, toys and especially boots. Cherielle will be a member of the Class of 2012 SW Bootblack Competition to be held

Jan 20-22 in Phoenix, AZ. She strongly believes in the spiritual connection one has with their leathers, and desires to keep that bond strong by making sure that the leathers are in pristine condition. She lives in Casa Grande with her Master, Tex of House of Eagles; her two dogs Peanut and Chloe; Master's cat Missy and one horse Faith.

## ***Fucking Machines***

***4pm Saturday, February 25th***

It buzzes! It whirs! Step right up! See the amazing machines that make women swoon!

One of Evil Uncle Nick's many passions includes Fucking Machines and that is the topic of this presentation. He is the proud owner of a Sybian and is eager to demonstrate it, but I hazard to guess, not on himself. Possibly he will want a volunteer? Maybe two? You never know. If you have ever been curious about fucking machines and want to see them up close, this is the event for you!

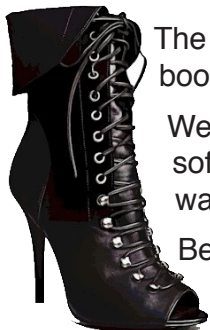

Evil Uncle Nick is a "Victorian" Master with a Mickey Mouse fetish and a fondness for both cats and dogs. From Denver to Phoenix to Tucson he has been involved in the "Lifestyle" for many years. When not playing with his whips, floggers, or e-Stim/electro devices he can be found dressed in Victorian garb and promoting SteamPunk chic. Evil Uncle Nick is truly a man of eclectic tastes from a day and way of life long gone. He might be called a renaissance man except the Victorian age and the ability of the average person to travel widely came much later. Did I mention that Evil Uncle Nick loves to travel? Be here Saturday when he travels to DD.

## ***Under The Boot***

***7pm Wednesday, March 14th***

### ***Trampling, Stomping, Boot Worship***

Come share a love of everything boots with Bear, Southwest Boot Black 2012!

The smell of leather, the feel of hard soles pressed to flesh... ahh, the joy of being under the boot.

We will explore the ins and outs of boot worship from boot licking, to putting a boot print on soft skin, to the safest way to leave your mark on those who worship the very ground you walk on.

Bear has been in the BDSM community for 14 years and involved in the local community for 7 years. She is many things, fluid and always changing, constantly evolving and learning more about herself every day. That said, she often identifies as a boi and/or a bear and

always identifies as Leather and as having a Leather Service Heart. When asked how to address her she often replies by saying, "I'm just a Bear". She likes to approach most things in life with a healthy sense of humor.

Bear is in service to Ms. Bonnie of The Dragon~Clan and has been a member of the Dragon~Clan family for 3 years. An active member of the community, Bear has enjoyed many years of giving of herself in service as a volunteer at APEX, Butchmanns Experience, Southwest Leather Conference and as a member of The Grand Canyon Sisters of Perpetual Indulgence. She is also the facilitator of The GLBTQ Special Interest Group at APEX on the second Tuesday of the month. Bear is SW Bootblack 2012, and will be competing for the title of International Ms Bootblack the end of March at IMsL.

***Puppy / Kitten Play***

***4pm Saturday, March 24th***

Sit! Stay! Come? Let your inner puppy or kitty out to play! Whether you're a Pit Bull or a Persian, a Terrier or a Tabby, a Chihuahua or a Cheetah, this work shop is for you! Learn the basics of puppy play and kitty play at this 'paws-on' demo. There's even info for trainers/handlers too! Topics covered will include toys, gear, safety precautions, headspace, and how to play with someone in an animal role.

The presenter of this seminar is Dee. She has been a member of the kink community for eight years and has enjoyed every minute of it. She's been developing her interest in animal play over the past two years. She is experienced as both a Trainer and a puppy, and is happy to present from both perspectives.

Have a Kinky Valentine's Day!
