Negotiation

7pm, April 13th

Making the transition from casual acquaintances to players on the floor, or elsewhere, can be a tricky process. Things said, or left unsaid, can make all the difference when it comes to having fun rather than a bad or horrible experience. There are a lot of pitfalls, and hopefully you can learn how to avoid them. Negotiating isn't just about "consensual". It is about "safe" and "sane" too.

This seminar will be presented by Lois. While new to Desert Dominion, she has been active in the BDSM community in the San Francisco bay area for the last four years. In that time, she has given presentations on various kinky topics. Her admitted nerd side has also led her to present *How to Survive the Zombie Apocalypse*. She is very excited about starting her new life here in Tucson.

Members Only. Seminar fee is \$5. Temporary memberships are available at the door for \$3. Nudity may occur.

Play Piercing

4pm, April 23rd

Are you looking for new ideas for your play piercing scenes? Do you play for sadistic or masochistic delight, or do you seek to transform your bottom or submissive into a thing of beauty? Or do you desire both? Are you brand new to the idea of play piercing and want to see what it is all about? Come join Wednesday A as she presents basic (and some more advanced) play piercing techniques. You will learn where and how to pierce, how to maintain cleanliness and protect both players, and some twisted tricks to create painfully beautiful scenes.

The presenter for this workshop, Wednesday A., has pABresented numerous times at Desert Dominion, APEX, TNG, and other groups on a variety of topics. She loves to combine a twisted sense of sadism and humor with an eye for beauty and balance in her scenes.

Members Only. Seminar fee is \$5. Temporary memberships are available at the door for \$3. Nudity may occur.

Getting Tied Up in Knots with Steve

7pm, May 11th

For some, rope bondage can lead to a very heightened sensual and erotic experience where the journey is as important as the destination—the rope seductively moving across your naked body, slowly immobilizing you in ever-encircling patterns of sensuality and control, wrapping you, cradling you, controlling you, as you become more and more intoxicated in its power over you.

Now that I have your attention... Come learn some basic rope fundamentals in this hands-on class, including rope safety, basic knots, and some useful ways of securing someone in a vulnerable position for all sorts of naughty and delightful play. And all this while your presenter is naked! (well, ok, maybe not...)

Your presenter, Steve, also known as Puaillewa on FetLife, considers himself a general all-around kinkster with a sadistic streak, and a love for the passion and power of rope. He can usually be found lurking in the hallowed halls of Desert Dominion as well as regional leather conferences.

Members Only. Seminar fee is \$5. Temporary memberships are available at the door for \$3. Nudity may occur.
