Sexual Bedlam Seminar...Master Seth, December 8th at 7 PM

Master Seth presents a rapidly moving, concentrated two hour seminar on creating the rapidly accelerating sexual head space, sub-space, extreme Adrenalin/Endorphin Highs, leading to almost explosive dynamics of a sexual BDSM scene play. You have asked how does he get the people he plays with, Come learn the rest of the behind the scene story. This is where experience and learned skills meet the asphalt of the real road. There will be nudity and there will be screaming climaxes. There will be a variety of activities first explained, and then demonstrated, in rapid sequence. This will be an intense and fast moving two hour seminar and not a 'talking head' seminar.

Attendees may have an opportunity to participate, especially if you arrive early, are very responsive/open-minded.

The first secret you will learn is to understand Master Seth's work?

In a nutshell...You must have the total AUDACITY to BELIEVE YOU can do all of this!

Primal Experience, Ball Dance and Hook Pull, December 4th, at 1 PM

Since time immemorial, humans have been consciously pushing their physical, emotional and spiritual boundaries in their ever ongoing quest for self-actualization through ecstatic states of consciousness.

It is no wonder a few folks with an erotic bent for extreme sensation, be it physical or emotional, are drawn to this particular edge. That edge is taking of flesh-hooks, taking of weights sutured to the flesh and dancing the bodies limits past known ordinary reality into the unknown of non-ordinary consciousness.

On Saturday December 4th, you are invited to a time and place set aside for inward journey's and outward community and connection. Whether you walk in your wounds or dance in your divinity (or a little of both) Celebrate! Laugh! Cry! All of it! And bring it all forth...the you...that is ALWAYS becoming...tickets are \$30 each and that includes food and drinks.
