The First Annual Un-Birthday Party Friday February 18thth, 2011 @ 8PM

Desert Dominion proudly opens its doors for its very first, perhaps one time, Un-Birthday Party. Do NOT confuse this for a birthday party, even though there may be a un-birthday cake at this Friday night play party. There are rumors of a large influx of sluts as well as other kinksters from all over... Some may be coming just to figure out WTF a un-birthday party is. The cost is \$10 (just like a normal play party...go figure) and is for members only. If you know someone that is celebrating a un-birthday (for whatever reason one does that), feel free to bring them a un-gift...or not...

Now that you are totally confused, come on out and join us!

Interrogation For Fun, – Master Dennis – 7 PM, February 9th, 2011

The light that fades into view is gaining in intensity equal to the blinding sun. The endless infuriating soft spoken voice repeats the same litany of questions and promises. You fight the binds and scream a wordless, silent, non human whisper. Interrogation does not always employ nor need the loud yelling screams of the maniacal, rubber hosed wielding, faceless antagonist, though they have their place. Sometimes it is the soft spoken whisper that causes more doubt, more inner turmoil. This workshop will explore the means and uses of interrogation to reach certain thresholds to allow the opportunity for exploration of personal growth. It will be presented as a form of a 'rite of passage'

Master Dennis has been a member of APEX (Arizona Power EXchange) since 1997, a member of MAsT Arizona, and the Arizona Men of Leather. The first fully professed Father for the Grand Canyon Sisters of Perpetual Indulgence "Father Craven Morehead" He was the Dungeon Master and DM trainer for APEX from 1998-2002 and also a board member from 1999-2000 (during 2000 as a Co-President for APEX). Role Playing: Actualizing Your Wildest SM Fantasies, Cap (aka Miss Chris), 4 PM, 26 February, 2011

Have you ever wanted to play out your wildest SM fantasies, but didn't know quite where to start? Come join Cap (aka Miss Chris) as she presents "Role Playing: Actualizing Your Wildest SM Fantasies". Learn basic to advanced tips and techniques on how to leverage attire, speech, body language, props, and the five senses to evoke different scene stages. Learn how to assume a character, improvise, create a backstory, and to suspend reality for a scene. Role Play examples will be presented throughout the class, and an interactive exercise at the end allows everyone to get their hands dirty with a basic role play to play with and eventually incorporate into your own bag of tricks!

A genetically pre-dispositioned, hard-coded pervert (the Catholic school system in NY did wonders for her development in this regard) Cap didn't actually connect with the lifestyle in the flesh until she walked in the door of the AZ Power Exchange. Instantly, she felt at home, realized the lifestyle was her missing link and began her 24/7/365 love affair with kink.

Cap is a bi poly switch, professional disciplinarian and spanking video actress. Cap founded the Sun Valley Spankos back in Feb '09 and holds monthly spanking parties. She has taught numerous classes and has given dozens of demos all over the country on spanking, corporal punishment, caning, domestic discipline, historic scenes and role playing. In particular, she's known for her passionate, intensely energetic and outrageous (oftentimes controversial) play on either side of the whip.
