BDSM on a Budget

7pm, March 9th

Do you have a creative side? Can you look at a table at a thrift store and see four flogger handles or just a table? Do you have a kinky imagination that needs to be fueled? Of course you do! It's what brings the people of kink together. Many of the toys in the BDSM community are costly, but that's no reason to shop and have fun!

BDSM on a Budget will be presented by Jefferson James and is meant to show you how to do more and spend less. Candlestick holders, ping-pong paddles, old leather belts...oh my! Ever wonder how to make a flogger? "Pervertables" as we like to call them, come in many shapes and sizes and the only limit is your imagination. Save your cash and turn second hand shopping into a BDSM adventure. You will never again see thrift stores in the same light!

Members Only. Seminar fee is \$5. Temporary memberships are available at the door for \$3. Nudity may occur.

Whips 101 and Beyond

4pm, March 19th

Whether you grew up in the era of Zorro or Indiana Jones, you have probably been dazzled by the spectacle of a bullwhip in action. There is just something about a braided length of leather snaking through the air, a ripple of raw energy traveling its length and culminating in a resounding crack. Some shiver with fear, some with erotic pleasure, but few are unmoved.

Whipmaster Bob is known throughout the Arizona BDSM community for his expertise with a singletail. He has instructed many of the accomplished whip users across the state. He will be moving out of state soon, so this may be your last chance to learn from one of the best.

Members Only. Seminar fee is \$5. Temporary memberships are available at the door for \$3. Nudity may occur.

Upcoming Seminars

7pm, April 13th — Negotiation - Lois

4pm, April 23rd — Play Piercing - Wednesday Addams
