Naked Tea Training and Naked tea Service by Master Trish Sat/Sun November, 13th & 14th

Saturday 10 AM - 3 PM Naked Tea Training

It's not High Tea, It's not Queen's Tea, It's not Japanese Tea Service, it is Naked Tea. It is all about providing seamless service to those of us who love excellent service and a good cup of tea. You will learn a bit of history of tea and tea services, the different types of tea and sandwiches to serve with the tea. Most importantly how to serve a hot cup of tea while naked (nudity will not be required at the class). Each participant will receive a "workbook" covering the class content. As an extra treat to top off that shiny new service, we will learn how to give a simple foot bath and gentle massage, a light neck and shoulder rub and a comforting hand massage for those that desire a bit of pampering after a delicious cup of tea. Sunday is your day to put into practice your skills and service as we show the "top" half of this class how to receive service. To cover the cost of materials, the fee of this class is \$25/person. This fee covers both days for those that are serving.

Sunday 10 AM - 12 noon

This is the class for those of us who love to be served and pampered. Come and enjoy the service of Naked Tea! Come learn about tea and what to expect from good service. Learn about the different teas. Then receive a bit of pampering from our tea servers. The tea servers will be offering services of a refreshing foot bath, neck and shoulder rub or a light hand message. The fee for this class will be \$15/person, because supplies will have to be purchased ahead of the class. Please RSVP by Saturday noon (Nov. 13th).

Ritual Piercing, Master Onyx and Lauren Ide, November 20th at 4 PM

The traditions of body piercing and sacred ritual will come together to create the potential for an ecstatic experience. Join Lauren and Master Onyx in an exploration of the history and intention of today's participatory ritual piercing practices from ancient cultures to today's Modern Primitives' movement. We invite you to feel the life force and bear witness the intentional placement of balls/bells and flesh hooks within ritual space.

An active participant of the Arizona Power Exchange (APEX) and the Phoenix leather community, Master Onyx is an Instructor for the Butchmanns Experience and a current member of the Southwest Leather Conference Piercing Team, Phoenix Chapter of Masters And slaves Together (MAST) and Arizona Amazons. Previously, she held the position of Image Chair for APEX, recently served as the Butchmanns Experience Registrar and Marketing Coordinator and was a member of Living in Leather Arizona (LILA), a presently inactive leather spirituality group. Expanding beyond her local area, she is delighted and honored to be on staff for DESIRE Leather Women in Palm Springs.

Introduced to BDSM through her quest for deeper spiritual connections, Master Onyx quickly realized that the integration of Body and Spirit through SM and M/s is an essential part of her life path. Crediting body rituals as a vehicle for profound connection to our inner essence, she realizes that our possibilities are limitless and indescribable when life is approached with awareness and intention. Mastery is a soul expression that empowers her to share her journey with others in significant and meaningful ways. With deep gratitude, she is privileged to grow in her life's journey with her slave denise, photographer extraordinaire, by her side.

Lauren is a queer-femme-poly-switch and has served the Leather Community as International Ms Leather 2007 and as Southwest Ms Leather 2006. She has been an active participant in the Leather and BDSM communities in Western New York, Denver, CO, and Phoenix, AZ. She is a member of APEX, the Arizona Amazons, an honorary member of FIST-Baltimore, and a member of Mama's Family (San Francisco.) She is co-recipient of the 2009 Rocky Mountain Regional Pantheon of Leather Award.

Lauren has been performing amateur piercing within the BDSM scene for over 10 years, has served on the piercing team for the Dance of Souls for the past 4 years, and is the local Dance of Souls Piercing Team Lead for SWLC 2011. She has trained for ritual piercing under Elwood and is continuing her training under her mentors in ritual suspension.

Lauren is a full-time pre-nursing student working towards a Bachelor's of Science in Nursing. She pays the bills as a Medical Massage Therapist and Reiki Master/Practitioner.

Primal Experience, Ball Dance and Hook Pull, December 4th, at 1 PM

Since time immemorial, humans have been consciously pushing their physical, emotional and spiritual boundaries in their ever ongoing quest for self-actualization through ecstatic states of consciousness.

It is no wonder a few folks with an erotic bent for extreme sensation, be it physical or emotional, are drawn to this particular edge. That edge is taking of flesh-hooks, taking of weights sutured to the flesh and dancing the bodies limits past known ordinary reality into the unknown of non-ordinary consciousness.

On Saturday December 4th, you are invited to a time and place set aside for inward journey's and outward community and connection. Whether you walk in your wounds or dance in your divinity (or a little of both) Celebrate! Laugh! Cry! All of it! And bring it all forth...the you that is always becoming...tickets are \$30 each and that includes food and drinks.
