The Butchmanns Experience is Coming to Desert Dominion 15 – 17 Oct, 2010

The **Butchmanns Experience** is an intensive educational weekend designed to provide an opportunity for self-discovery in pursuit of self-actualization. The event includes hands-on training in basic SM practices, protocol and rituals, and a view of leadership and obedience through the lens of Master/slave dynamics.

Butchmanns Experience allows us to explicitly visit areas that challenge and soothe us for the purpose of identifying who we are. Happiness comes from living authentically. When we are ready to be who we truly are, we encounter the next step on our path.

The emphasis of activities is on personal transformation and growth and includes intentional flogging, ritual temporary piercing, the call to serve and be served, and transformational mummification. These activities are further explored through in-depth discussions. The environment is structured to encourage safely entering new experiences, with the instructors and staff supporting each individual's unique experience.

Vaginal Fisting...Lets Give Her A Hand...Bear, October 13th at 7 PM

Have you ever felt the intensity of possessing a woman to her fullest, feeling her heartbeat from within? Touching her inner core? As a woman, have you experienced that sensation of being fully possessed, of opening up completely and surrendering your most intimate center?

Come join Bear (aka GrrlBear) on her maiden voyage into presentations, as she demonstrates the wonderful art of vaginal fisting. We will discuss the, pardon the expression, in's and out's of how to and why on earth you would want to do this or have it done to you.

Originally from the northeast, she is just a little bear living in the desert taking joy in all the wonderful sensations available. She has been a member of APEX and the Arizona Amazons for over six years, a member of the lifestyle for well over a decade, involved with SWLC for three years and a member of the Dragon Clan for a couple of years. For more information about Bear, go up and ask her while at DD! She is mostly harmless...mostly!

Extreme CBT by the Ladies from Hades, October 23rd at 4 PM

Extreme CBT: Beyond the general safety and the lighter side such as helicopters and rope, other demonstrations will include Butterflies, Weights, Saline Infusion, Needles and Sounds. This seminar is not for the squeamish and you just may see blood. Join Miss Fran, Mistress Skye, Lady JoL, Mistress Prudence, Mommy V and Mischievous Wednesday A.

The Ladies From Hades came into being when Miss Fran was asked by Evil Uncle Nick to do an Extreme CBT demonstration. As a Member of the Desert Dominion Group, she is advertising the event.
