Thoughts on Share Food (Have You Brought Some Recently to a Play Party?)

The last few weeks at the club there has not been much share food for the play party. It is important that we take into consideration the value of having food to eat after we play at the club. Share food at play parties has always been a big part of the BDSM culture and at Desert Dominion that is no different. It is equally important for subs in sub-space, or Tops in Top-space to get re-grounded after dungeon scenes. Also, those that have to watch their sugar levels really need food to help keep their sugar level regulated. Please take this into consideration when planning your next trip to the dungeon. Your thoughtfulness will benefit everyone that attends our play parties!

Slut 101 by Molly (Notch), September 8th at 7 PM

Introducing what Slut means in general and specific terms related to the Social interactions and responses to slut nature. What Slut is from a free and proclaimed slut's point of view.

Notch - Raised to be in domestic service all her days this slut found more joy in the fields and with the animals than in the kitchen or parlor. The loss of her grandfather brought her into domestic service starving her Boi of happiness. As a young teen she found happiness with both girls and boys as Slut. Good domestic service skill served well in service to a young gay man. Her first husband sought more happiness and thus finished her First two decades. She raised a family while in service to one in her community that was abusive of his property. She endured physical, emotional and spiritual danger and the loss of contact with her children, as she escaped her community to survive.

The man who sought to save her found this Slut to be uncontrollable. All the man wanted was to take her spirit. The spirit is strong when you fight to survive. Freed in 2007 and finally re-united with her daughters after two decades, she began to rebuild her physical and emotional being back to a point in which she can once again share her Slut Spirit. Now in the service as Slut and Sex Slave to her Lord and Master she strives to share the important spirit that is Slut.

The Whole Enchilada by Master Jefferson James on September 11th at 4 pm

Many people come to BDSM events and play parties in hopes of fulfilling a fantasy. Some succeed. Some stumble and fumble and eventually succeed. Others just give up and go back to Fantasyland. Is there a secret? What did the ones who are having a good time know, or eventually learn?

This seminar will cover everything, beginning with the first time you go to a BDSM event on through the various kinky paths you may choose from there. This is not a BDSM101 with a focus on flogging, spanking, or any styles of play. It is about getting play regardless of what that means to you... from first meeting a person, to play, to aftercare, to possibly an ongoing relationship -- the whole enchilada.

This seminar will be presented by Master Jefferson James. He is President of Baja Arizona Leather, who produces Behind Closed Doors, a Past President and for 5 years the Education Director of DD. He has presented at DD and APEX many times, as well as the Southwest Leather Conference (SWLC), and Rio Grande Leather (RGL). In January of 2010, he was presented the Spirit of Service Award by SWLC for his many activities in the local scene.

Seminars and Events in October Oct 13, Seminar TBD, Oct 15 – 17 Butchmanns Pansexual weekend Experience (go to: butchmanns-experience.org), Oct 23, Ladies of Hades Seminar.
